1. What is one thing that stood out to you from this week's message?

2. In Haggai, God's people were not prioritizing worship. What do you find yourself giving priority to above worship?

3. How have life changes helped you realign yourself with God's priorities?

4. What is your new normal right now? Do you see how God may be working to adjust your priorities in this time? (Or if not now, have you had to adjust to a new normal in the past?)

5. When have you seen a young child get into a messy situation and assume the adults around them are unaware of the mess?
